### **GENERAL EVALUATION OF RESULTS AFTER SOME BRAINSTORMING WITH PARTICIPANTS**

Strengthen links between residents and the corresponding psychiatric association in each country.

To support scholarship & fellowship programs for residents.

Academic exchanges for residents and teachers of Postgraduate Psychiatry Programs.

WPA / involved in accrediting Residency Psychiatry Programs.

Enrich and improve residents' leadership skills.

### **EVALUATION OF RESULTS THROUGH THE APPLICATION OF THE SURVEY IN SOME OF THE ACTIVITIES**

Lectures, topics, presentations, content and slides: qualified very well to excellent.

Applicability of knowledge in daily work: very useful in clinical practice.

Suggested topics for future activities: Women's Mental Health; Psychotherapy; Psychiatry and Endocrinology, Geriatrics, Child Psychiatry, Autism, Educational and Training Psychiatry Policies.

### **LISTING GENERAL SUGGESTIONS:**

Emphasize working on cross cultural psychiatry.

Financial support worldwide early career psychiatrists (ECPs).

Emphasize activities for prevention of mental disorders.

Emphasize educational activities in general population.

WPA Educational Program for young psychiatrists from developing countries.

### **WPA TEMPLATE FOR UNDERGRADUATE AND GRADUATE PSYCHIATRIC EDUCATION / UPDATE**

Develop a set of curriculum recommendations for psychiatric education of undergraduate and graduate. The goal is to improve the quality of education and, consequently, the quality of care for patients with mental disorders.

WPA Core Curriculum in Psychiatry for Medical Students / Yokohama, Japan, August 2002.

Core Curriculum for Postgraduate Training in Psychiatry/ Period 1993-1999/

Task Force Members

Chairman: Dinesh Bhugra

Coordinators: Edgard Belfort; Maria Ines López-Ibor, Luz Querubin, Francisco Collazo.

## UPDATING WPA EDUCATIONAL PROGRAMS

### 1. WPA Educational Program on Schizophrenia

Text-materials need very extensive revision - both in form and content to generate a revised and coherent up-to-date version.

### 2. WPA Educational Program on Depression in Persons with Physical Disorders.

Coordinator: Edgard Belfort (Venezuela)

Co-Coordinator: Norman Sartorius (Switzerland)

## ONLINE COURSES

**Expert on Mental Health Emergencies.** 2016. Ecuador Participants.

Sponsored: Alcala de Henares University. Spain. Objective: our main goal is help professionals maintain a good level of updating and specializations as well as to obtain the knowledge, abilities and diagnostic and therapeutic skills for successful intervention in mental health emergencies. The course accredited with 25 ECTS by the University of Alcala de Henares as part of its own degrees and the WPA.

**Cultural Competence Training** April 2016.

### Objectives

- 1) To achieve a sufficient level of knowledge to enable cognitive competence in intercultural interaction.
- 2) To gain the necessary skills to obtain technical competence and thus effectively treat patients from different cultures.
- 3) To develop an appropriate attitude that is evident and consistent with the characteristics of provider-patient interactions (made possible through the development of strong doctor-patient relationship)

**Therapeutic model and treatment of abuse in girls-boys, adolescents and women**

March 2016. Guatemala.

### General Course Objectives

1. Support a personal change of the participants to break stereotypes, myths and behavioral patterns instilled through differential socialization processes, which can affect the therapeutic processes.

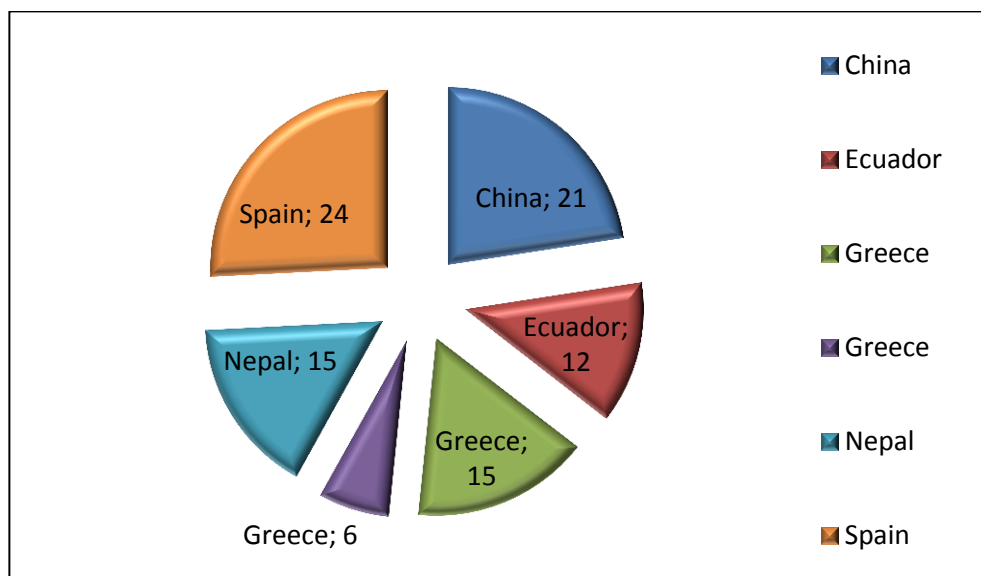

2. Strengthen and upgrade the academic and therapeutic skills of the professionals working with victims of incest and sexual abuse, therapy specialized for victims of sexual violence.
3. Develop attitudes, behaviors and actions needed to detect abuse and adequately address sexual and therapy for victims.
4. Deal with the proposed therapeutic model expertise and manuals for therapists.

**No Cost for WPA**

**WPA CME CREDITS**

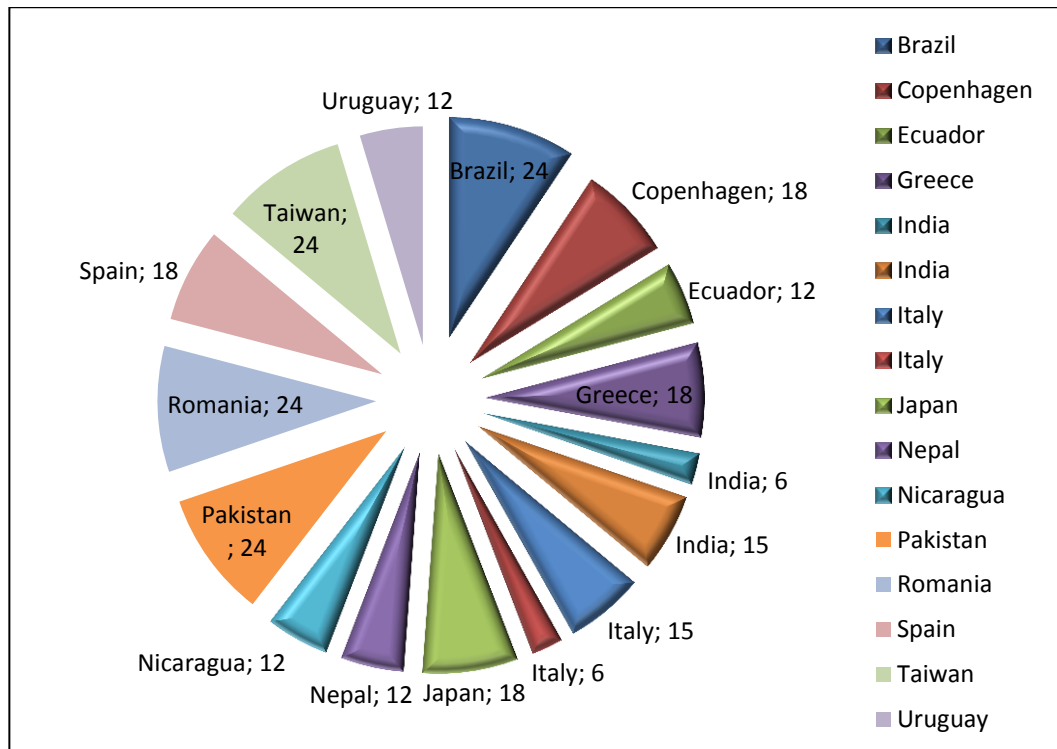

WPA Educational Credits are granted after previous requests from many societies.

**WPA EDUCATIONAL CREDITS BY COUNTRY / 2014**

WPA EDUCATIONAL CREDITS BY COUNTRY / 2015

PROJECT CATEGORY (2015/2016)

**WPA GENERAL SURVEY / FIRST STAGE**

Looking forward achieving a more accurate identification of training needs and opportunities.

Application of financial resources to carrying out the structured survey, aimed to knowledge.

Educational Processes and Psychiatry in Mental Health: knowing and identifying their needs, challenges and opportunities.

Explore and promote innovative assessment and accreditation processes, that allow propitiate a culture according to public policy of academic and professional training, committed to social and economic progress of WPA country' members.

**Justification**

Provide to the countries an updated and reliable diagnostic, of post graduate systems.

**General Objective**

Foster cooperation between systems and higher education institutions (HEIs) in the light of setting and strengthening academicals opportunities

**Economical Support: USD\$ 4.000 According to budget.**

## WPA WEBSITE / SECRETARY FOR EDUCATION

Design and development oriented to young psychiatrists; other specialists; Family Doctors; Patients; Families; Community.

**Objective:** Informative, interactive, easy and open access tool not only for health professionals but also to patients and the general community.  
Timely, frequent, truly and dynamic in biological, psychological, social, cultural, clear information, etc.

**Methodology:** Encouraging member societies to cooperate in the provision and dissemination of information  
Welcome cooperation from WPA scientific sections, zonal representatives and any other WPA components.

**Support:** working for financial support for its implementation. Dealing with La Caixa (Spain)) and the Pharmaceutical Industry.
