Professor Mohan Isaac

Clinical Professor, Psychiatry, University of Western Australia Medical School
Consultant Psychiatrist, Fremantle Hospital, Perth, Australia

Professor Mohan Isaac is a clinical professor of psychiatry at the University of Western Australia Medical School, Perth, Australia and a consultant psychiatrist at Fremantle Hospital in Fremantle, Australia. He was formerly a professor and head of the oldest and largest academic psychiatry department in India at the National Institute of Mental Health and Neurosciences (NIMHANS) in Bangalore, where he is currently a visiting professor. During more than 30 years of his academic and clinical work in India, Professor Mohan was actively involved in the development and implementation of India's National Mental Health Program. Professor Mohan has worked as a consultant for international organizations such as the World Health Organization (WHO) and the Asian Development Bank (ADB). He also works with various health and mental health related non-governmental organizations, such as the Medico Pastoral Association and Society for Health Awareness Research and Action in India.
